

**UNITED STATES DISTRICT COURT  
FOR THE NORTHERN DISTRICT OF ALABAMA  
EASTERN DIVISION**

CORRY R. AVERETT, )  
Petitioner, )  
v. ) Case No. 1:22-cv-00351-LCB-SGC  
STATE OF ALABAMA, *et al.*, )  
Respondents. )

**MEMORANDUM OPINION**

The Magistrate Judge entered a Report on May 13, 2022, recommending this petition for a writ of habeas corpus pursuant to 28 U.S.C. § 2254 be dismissed for lack of jurisdiction as an unauthorized second or successive petition. (Doc. 3).<sup>1</sup> The time to object has expired, and Petitioner has not filed any objections.

After careful consideration of the record in this case and the Magistrate Judge's Report, the Court **ADOPTS** the Report and **ACCEPTS** the Recommendation. Consistent with that Recommendation, this matter is dismissed without prejudice for lack of jurisdiction. Because this matter will be dismissed as successive, a ruling on a certificate of appealability is not required. *Osbourne v. Sec'y, Fla. Dep't of Corr.*, 968 F.3d 1261, 1264 n.3 (11th Cir. 2020).

<sup>1</sup> Following the receipt of a notice of change of address, the magistrate judge ordered the Clerk of Court to send the petitioner a copy of the report and recommendation at his new address. (*See* Docs. 4, 5).

A separate order will be entered.

**DONE** and **ORDERED** August 1, 2022.
